Oceanside is the Quintessential Southern California Beach Town!

Not only because of its beautiful palm-tree-lined streets and sandy beaches, but also its playful personality and laid-back attitude. In Oceanside, being original is a mantra. It means keeping it real, being eclectic, always genuine, and exemplifying the O'side O'iginal spirit.

An exciting renaissance is underway. The food and brew scenes are flourishing. Cultural expression is blossoming. Outdoor recreation is next-level fun. And there is tangible entrepreneurial energy making Oceanside buzz. We can't wait for you to visit so you can experience it all firsthand!

Mileage to Oceanside from...

San Diego Airport	35	Las Vegas	296
Temecula	23	Phoenix	369
John Wayne Airport (OC)	49	San Francisco	464
Anaheim (Disneyland)	58	Sacramento	467
Los Angeles (LAX)	87	Salt Lake City	714
