## Oceanside is the Quintessential Southern California Beach Town!

Not only because of its beautiful palm-tree-lined streets and sandy beaches, but also its playful personality and laid-back attitude. In Oceanside, being original is a mantra. It means keeping it real, being eclectic, always genuine, and exemplifying the O'side O'iginal spirit.

An exciting renaissance is underway. The food and brew scenes are flourishing. Cultural expression is blossoming. Outdoor recreation is next-level fun. And there is tangible entrepreneurial energy making Oceanside buzz. We can't wait for you to visit so you can experience it all firsthand!

### **Mileage to Oceanside from...**

HERITAGE PARK

WAGNER EVENT CENTER

@rosephotographysd

**Do I need a permit?** Most likely, yes. If your ceremony has more than 25 people and/or includes chairs, arches, equipment, decorations, tenting, amplified music or other items not normally part of typical daily beach use, a permit is required.

**Beach Wedding Locations:** Harbor Beaches and those North of the Oceanside Pier are recommended due to plentiful sand. No permits are issued for Buccaneer Beach. Also consider Tyson Street Park and Strand Gazebo.

**Date Exclusions:** Permits are only considered for beach weddings, including Tyson Street Park, for dates occurring between September 15 - May 15. A permit may not be granted based on other citywide events and/or high-traffic weekends. This is at the city's discretion.

**Walk-up Ceremonies:** If you have under 25 guests and you want to walk up and have a ceremony (30 minutes or less) with NO set up, you're good to go anywhere at any time.

**Receptions:** All reception activities require a permit.

**Parking:** All beach area parking lots are first come first served pay parking.

**Permit Applications:** For clickable links to permit application go to [VisitOceansideWeddings.com](http://VisitOceansideWeddings.com). Permits are issued by the City of Oceanside (760) 435-5540 or [specialevents@oceansideca.org](mailto:specialevents@oceansideca.org).

**Beach Wheelchairs:** Manual beach wheelchairs are available on a first-come, first-served basis, 8 am-5 pm; pick up at the lifeguard headquarters below the pier. Contact Oceanside's Lifeguard Services at (760) 435-4018 for more information.
