

CRUISE on NALA

Welcome to Oceanside, California! We are Oceanside Adventures, the top-rated luxury whale and dolphin watching company located waterside in front of the historic Lighthouse in Oceanside Harbor. Come out with us for an awe-inspiring whale and dolphin watching adventure or coastal cruise. Our trips on one of our two catamarans, the newly built NALA or our signature vessel, OCEANSIDE ADVENTURES are approximately 2 hours and are great for families, couples, private parties, and corporate events with daily convenient times all year round!

- ✓ NALA is a state of the art 63-foot double decked custom catamaran with an original designed hull by the renowned marine artist, Wyland.
- ✓ Featuring covered and uncovered cushioned seating for extra comfort.
- ✓ NALA has a raised platform with clear isinglass allowing for optimal viewing.
- ✓ Offering 2 hour luxury whale and dolphin watching trips daily. Each trip is narrated by an expert captain, and a certified naturalist who loves whales and dolphins!
- ✓ Nala can host your Private Charters, and Corporate Events up to 75 passengers. Perfect for community events like Boat Rides with Santa or 4th of July Fireworks.

DURING YOUR WHALE and DOLPHIN WATCHING TRIP:

Let our guides tell you about the history of Oceanside as we travel to see marine life. Our boat is equipped with dolphin and whale information, fun facts, and photos of recent sightings.

What we see year round

January-April

Gray Whales, Minke Whales, Humpback Whales, Fin Whales, four species of Dolphins.

May-October-

Fin Whales, Blue Whales, Minke Whales, Humpback Whales, and three species of Dolphins.

November-December-

Gray Whales, Minke Whales, Humpback Whales, and all four species of Dolphins.

Other Sightings may include:

You may also see Orcas, Pilot Whales, Sharks, Sunfish, Sea Lions, various birds, and other marine life.

You never know what we will see next on one of our adventures!
